

Name Change Updates

We are loving our name change and how much it connects our members and opens up possibilities.

In our growth and improvement, there are many steps to take that require time, patience, and work.

We are continuing the work of the name change so that our credit, debit, and HSA cards will reflect the new name and our mobile banking, Visa online Access and our app will display our new logo. We will keep you updated and let you know when action is needed to update apps.

We are glad you are part of our credit union family.
